Start your accessible London vacation with a wonderful panoramic driving tour throughout the city! Escorted by your private London tour guide, you'll start this tour from your hotel and make your way to some of the best highlights in the heart of London; find out how Big Ben got its name and learn about the role Westminster Abbey has played in the Monarchy and Royal Families. See the Tower of London, admire the Parliament building and snap a picture in front of the Queen's home, Buckingham Palace. Your private accessible driving tour of London is packed with amazing photo opportunities and sights – three hours will fly by! It gives you a perfect overview of the city in a relaxing and convenient way, the day after long travel.

Accessible Heart of London Experience:

London can be challenging to navigate on your own but with your private, expert Blue Badge Guide you'll be in great hands! Enjoy a memorable stroll/walk through the heart of London... thousands of years of British history in just 1.5 miles! You will see and explore Westminster Abbey, Parliament Square and Trafalgar Square – all with lively commentary. You may also be lucky enough to see the Changing of the Guards!

Accessible British National Museum Experience:

Not many museums can legitimately be described as the best museum in the world, but the British Museum is one of them! Enjoy a fascinating private guided tour of this treasured place, escorted by your friendly, knowledgeable Blue Badge guide. With several millions of historic pieces spread over 1 million square feet, the British Museum is one of the world's most comprehensive art collections! This tour is carefully designed using fully wheelchair accessible routes, and it covers all the most important must-see collections. Your guide will be sharing lively commentary with you as you make your way through the museum together.
